01 — NEWS

Today's top stories

- 1

The Prime Minister is supporting a female MP who's suing xAI over fake bikini photos.

Suffolk MP Jess Asato claims the company's Grok tool was used to create the images without her consent. It raises further questions about AI-generated content and personal privacy.

POLITICS · UK
- 2

A man has been arrested in connection with the murder of a teenager in Leeds, 22 years after the crime.

Tyrone Clarke was killed over two decades ago, and his mother says the family has been living "with this shadow over us". This development brings a glimmer of hope for justice after a very long wait.

CRIME · UK
- 3

British actor Idris Elba has shared his thoughts on the future of James Bond, advising against making the character "woke".

He also suggested that some audiences might not accept a black male actor in the iconic 007 role. His comments add to the ongoing debate about the direction of the famous spy franchise.

CULTURE · UK

What's coming up

- 1 Taylor Swift fans are buzzing with speculation about when the superstar might tie the knot.**
'Swifties' worldwide are actively hunting for clues regarding her upcoming nuptials to American football star Travis Kelce. Everyone is keen to see if they can predict the big day.
MUSIC · COMING UP
- 2 A new drama will revisit the tragic 1992 murder of Rachel Nickell through the eyes of her family.**
Her son and partner are speaking out for the first time in over 30 years for the upcoming series. The programme aims to shed new light on the devastating ordeal.
TV · THIS WEEK
- 3 The music world is reflecting on the incredible legacy of Kanya King, founder of the Mobo Awards, following her passing.**
Stars like Sir Idris Elba and Stormzy have been paying tribute to the visionary who championed Black music and culture. Her work means the Mobo Awards will continue to inspire for years to come.
MUSIC · LEGACY

On the schedule

1 BBC Sport is looking into how athletes with heart conditions, like those with ICDs, can safely continue playing.

The report explores the risks involved and what happens if an implantable cardioverter-defibrillator activates during play. It's a fascinating insight into medical advances in sport.

SPORTS · SCIENCE · HEALTH

2 In Premiership Rugby, Henry Slade made a big impact, while there are injury concerns for Bath ahead of upcoming matches.

Slade was a standout performer at Sandy Park in the latest round of the Prem. Meanwhile, Bath is waiting on news regarding Finn Russell's calf injury, and Tom Willis is set to depart for France.

RUGBY · UK

3 England cricket coach Brendon McCullum believes captain Ben Stokes is close to rediscovering his top batting form.

McCullum stated that Stokes' return to form is "not too far away," which will be welcome news for England fans. The team will be hoping for a strong performance from their skipper soon.

CRICKET · UK

Quick hits

- 1 New research suggests that a daily dose of laughter might be as good for you as a gentle walk.**
Scientists found that sharing a good giggle can boost your mood and even improve circulation, making it a delightful addition to any wellness routine.
- 2 Gardeners across the UK are discovering the surprising joy of growing their own exotic fruit.**
From hardy kiwi berries to passionfruit in conservatories, many are finding that a little warmth and care can yield delicious, homegrown tropical treats.
- 3 The humble teacup is experiencing a delightful renaissance as collectable items become popular again.**
Vintage teacups, often passed down through generations, are now being cherished for their intricate designs and the charming stories they hold.
- 4 A recent study highlighted how much pleasure people get from simply watching the clouds drift by.**
Taking a moment to observe the ever-changing shapes in the sky was rated as a top stress-buster, proving that the best things in life really are free.
- 5 More families are choosing board games for their evening entertainment, sparking a surge in demand for classic and new titles.**
It seems the appeal of unplugging and enjoying some friendly competition around the kitchen table is stronger than ever.
- 6 Pet owners are increasingly finding creative ways to celebrate their furry friends' birthdays.**
From special homemade treats to 'bark-day' parties with other canine chums, these celebrations are becoming quite the occasion!
- 7 The refreshing trend of 'wild swimming' continues to attract enthusiasts to Britain's rivers and lakes.**
Advocates praise the invigorating experience and the unique connection it offers with nature, even if the water is a tad chilly!

05 – TALKBACK

For the phone lines

OUR SURVEY SAID

Q Our survey said that over 60% of us admit to having a secret stash of **what** in the house, just for ourselves?

ANSWER: THAT'S RIGHT, A SECRET STASH OF BISCUITS OR CHOCOLATE THAT WE DON'T WANT TO SHARE!

Q A recent poll asked Brits what everyday sound instantly makes them feel cosy and at home. What came out on top?

ANSWER: THE GENTLE PATTERN OF RAIN AGAINST THE WINDOW, ESPECIALLY WHEN YOU'RE TUCKED UP INDOORS!

TALK TOPIC

- **You know, there's something wonderfully comforting about routine, like that first cup of tea in the morning or your favourite walk.**
What's the one daily habit or small ritual that you absolutely couldn't do without, and why is it so important to you?
- **We all have those little 'life hacks' that make our days a bit easier or more enjoyable, whether it's a clever way to fold laundry or a shortcut through town.**
What's your best-kept, simple life hack that you think everyone should know about? Give us a call!

TRUE STORY OR JACKANORY – LISTENERS GUESS

FACT **Nature.** Did you know that a group of owls is called a 'parliament'? It's thought to be because of their wise and solemn appearance.

FICTION **Made up, but believable.** In medieval England, gardeners would often plant a single sunflower in the centre of their vegetable patches, believing it would scare away garden pests.

06 – LOTTERY
