01 — NEWS

Today's top stories

- 1

A hidden camera has been discovered in a government building shared by the Ministry of Housing, Communities & Local Government and the Home Office.

This is obviously a huge security concern, especially given the sensitive nature of the departments involved. An investigation is now underway to determine who placed it there and why.

 **ON AIR** — How on earth does something like this happen in a secure government building? It's a real worry, isn't it?

CRIME · UK
- 2

British defence firms are set to be favoured in future spending, with the Defence Secretary promising an 'unashamedly pro-Britain' approach to contracts.

This move aims to boost the UK's defence industry and ensure more money stays within the country. It could mean big changes for how defence contracts are awarded.

 **ON AIR** — Is it right to prioritise British firms for defence contracts, even if it means potentially paying a bit more?

BUSINESS · UK
- 3

Nigel Farage says Reform UK has contacted X at the 'highest level' over fake AI adverts featuring the Governor of the Bank of England.

The Bank of England has urged people to report these deepfake ads, which are causing concern about the spread of misinformation online, especially ahead of an election.

 **ON AIR** — These AI deepfakes are getting more and more convincing. How do we spot what's real and what's not these days?

POLITICS · UK
- 4

Historic pottery firm Burleigh has been saved from collapse by investors, including former Burberry Group CEO Christopher Bailey.

The company, known for its distinctive pottery, faced an uncertain future but now has a new lease of life. It's fantastic news for the brand and its employees.

 **ON AIR** — It's always brilliant to hear about an iconic British brand being saved, isn't it? What's your favourite piece of British pottery?

BUSINESS · UK

5

An inquest has heard that a young boy who tragically died in a lake during the recent heatwave 'could not swim'.

Muhammed Secka died at Rother Valley Country Park, highlighting the dangers of open water, especially in hot weather. It's a heartbreaking reminder to be careful.

ON AIR – Such a tragic story. It really makes you think about water safety, especially with summer coming up, doesn't it?

TRAGEDY · UK

What's coming up

1 **Get ready for some musical legends! Chaka Khan and Simple Minds are set to headline Radio 2 in the Park this September.**

The three-day flagship event will take place in City Park, Stirling, between the 11th and 13th of September. It promises a fantastic line-up for music lovers.

ON AIR – Chaka Khan and Simple Minds – what a throwback! Which classic hits are you hoping they'll play?
MUSIC · SEPTEMBER

2 **Chelsea forwards Cole Palmer and Joao Pedro have made a surprising appearance in a promotional film for Madonna's new album!**

It's an unexpected crossover between music and football, showing Madonna's knack for grabbing attention. Fans are buzzing about this unusual cameo.

ON AIR – Footballers in a Madonna video – who saw that coming?! What's the most random celebrity cameo you've ever spotted?
MUSIC · SOON

3 **Childhood best friends Jo and Kush, the youngest duo in this series of 'Race Across the World', are sharing their thoughts on fame, friendship, and family.**

The Liverpool pair have become firm favourites on the BBC show, captivating viewers with their journey. Their bond has really resonated with audiences.

ON AIR – Race Across the World has been brilliant this series, hasn't it? Those two are just fantastic!
TV · NOW

4 **Meet the three Ellas who are racing through McLaren's F1 ranks, sharing their unique stories and Rihanna-inspired nickname.**

Ella Häkkinen, Ella Lloyd, and Ella Stevens are making waves in the motorsport world. It's exciting to see new talent coming through in F1.

ON AIR – Three Ellas making their mark in F1! Are we seeing a new generation of female talent taking over the sport?
SPORT · SOON

5 **The Esports World Cup is moving from Saudi Arabia to Paris, with organisers confirming cancelling the tournament was 'not an option'.**

The relocation is due to ongoing tensions in the Middle East, ensuring the major gaming event can still go ahead. Gamers will be relieved it's still happening.

ON AIR – The Esports World Cup moving to Paris – it just shows how big competitive gaming has become, doesn't it?
GAMING · SOON

On the schedule

- 1 England needs to take accountability after the recent incident involving Ben Stokes and Gus Atkinson, according to cricket commentator Jonathan Agnew.**

The drinking incident in a London nightclub has sparked concerns about England's team culture. Agnew believes the team must address this issue head-on.

ON AIR – Another incident for England cricket. Is it time for a serious rethink about the team's discipline and culture?

CRICKET · UK
- 2 British number three Jack Draper has delayed his comeback from a knee injury and will miss the Queen's Club Championships.**

Draper hopes to make his return at the Eastbourne Open later this month, giving him more time to recover. It's a setback for the rising star.

ON AIR – Poor Jack Draper, another injury setback. How much does it impact a player's confidence when they keep getting injured?

TENNIS · UK
- 3 Saracens wing Tobias Elliott is among the promising prospects called up for a small-scale England rugby training camp this week.**

This camp is an opportunity for new talent to impress and potentially earn a spot in the national squad. It's exciting for the future of English rugby.

ON AIR – Always good to see new talent coming through for England rugby, isn't it? Who are you excited to see play?

RUGBY · UK
- 4 British and Irish Lions women's head coach Jo Yapp says she will pick the best possible side for the inaugural tour of New Zealand next summer.**

This could mean the team is heavily weighted towards world champions England, aiming for a strong performance. It's a huge moment for women's rugby.

ON AIR – The Women's Lions tour is going to be massive! How important is it that they pick the absolute strongest team?

RUGBY · UK
- 5 The Lord's pitch for the first Test between England and New Zealand has been rated 'unsatisfactory' by the ICC, receiving one demerit point.**

This is a rare criticism for the historic venue, raising questions about the playing surface. It's not a good look for the 'home of cricket'.

ON AIR – Lord's pitch 'unsatisfactory'? That's almost unheard of! What does that say about the state of some of our cricket grounds?

CRICKET · UK

Quick hits

- 1 British dog owners are increasingly treating their furry friends to 'paw-dicures' and luxury grooming experiences.**
Forget a simple bath! Salons are offering everything from blueberry facials for pooches to glitter paw polish, ensuring our four-legged companions look their absolute best.
- 2 The trend of 'urban foraging' is growing, with city dwellers discovering edible plants and herbs in unexpected places.**
From wild garlic in local parks to forgotten fruit trees on public land, many are learning to identify and safely harvest nature's bounty right on their doorsteps.
- 3 More people are embracing 'slow travel', opting for longer, more immersive holidays closer to home.**
Instead of hopping between destinations, travellers are choosing to spend weeks exploring a single region, truly getting to know its culture and community at a relaxed pace.
- 4 The delightful sound of 'chime choirs' is becoming a popular new community activity across the UK.**
These groups use tuned hand chimes or bells to create beautiful, harmonious music, offering a calming and collaborative way for people of all ages to make music together.
- 5 A new appreciation for 'vintage technology' is emerging, with many collecting and restoring old radios, record players, and typewriters.**
It's a step back from digital overload, as enthusiasts enjoy the tactile experience and unique charm of gadgets from yesteryear, often finding them more satisfying to use.
- 6 British households are increasingly experimenting with 'vertical gardening' to maximise small spaces.**
From wall-mounted herb gardens to stacked planters for vegetables, this innovative approach allows even those with tiny patios or balconies to grow an impressive array of plants.
- 7 The simple joy of 'board game cafes' is seeing a resurgence across the country, offering a fun alternative to traditional pubs.**
These cosy spots provide a vast library of games, from classics to new releases, alongside refreshments, creating a relaxed social hub for friends and families.

05 – TALKBACK

For the phone lines

OUR SURVEY SAID

Q Our survey said that over 60% of us admit to secretly 'rearranging' what in someone else's house to make it 'neater'?

ANSWER: PILLOWS ON THE SOFA!

Q A recent poll asked Brits what small, everyday sound instantly makes them feel nostalgic. What came out on top?

ANSWER: THE CHIMES OF AN ICE CREAM VAN!

TALK TOPIC

- **We all have those little 'life hacks' that we swear by, don't we? Those clever shortcuts or tricks that just make everyday tasks a bit easier.**

What's your ultimate 'life hack' that you think everyone should know about? Whether it's for cooking, cleaning, or just getting through the day, give us a call!

- **You know how sometimes you spot something in nature that's just a bit unusual or surprising, like an oddly shaped cloud or a particularly colourful bird?**

What's the most unexpected or wonderful natural sight you've ever stumbled upon in the UK? Let us know what you saw and where!

TRUE STORY OR JACKANORY – LISTENERS GUESS

FACT **History.** Did you know that the world's first public zoo was founded in London in 1828, originally as a scientific collection for research?

FICTION **Made up, but believable.** The first ever recorded traffic jam in history happened in ancient Rome, caused by a cart carrying too many amphorae of olive oil.
